IMPOUNDMENT

1 The Court entered an order on March 13, 2012 (Dkt. 40), granting in part and denying in
2 part the motion for preliminary injunction and impoundment filed by Plaintiffs DISH Network
3 L.L.C., EchoStar Technologies L.L.C., and NagraStar LLC (collectively, "DISH Network"). In
4 accordance with instructions issued by the Court at the March 9, 2012 hearing, DISH Network
5 has provided the Court with this proposed order setting forth specific language for the preliminary
6 injunction and terms for the product impoundment. The Court adopts the injunction and terms of
7 impoundment proposed by DISH Network, and orders as follows:

8 1. Defendants Andrew Dimarco, David Dimarco, Digital Warehouse, Inc., and any of
9 their officers, agents, servants, employees, attorneys, and other persons acting in active concert or
10 participation with them who receive actual notice of this Order, are enjoined and must restrain
11 from:

12 (a) manufacturing, importing, offering to the public, providing, or otherwise
13 trafficking in (i) the WizHub or any other device that allows a Sonicview receiver to connect to
14 the Internet, including the iHub, New Link, and SV Lan; and (ii) warranty codes or any other
15 code, password, or serial number used in accessing an IKS server, including any warranty code
16 for the WizHub or Limesat receivers; and

17 (b) receiving or assisting others to receive DISH Network's satellite signal or
18 other electronic communications originating from DISH Network's system without authorization.

19 Among other things, Defendants are prohibited from directing persons to any website that makes
20 available software files or instructions for pirating DISH Network programming by any means,
21 including hyperlinking to such a website or referring persons to such a website through the online
22 chat feature made available on the websites operated by Defendants.
